SUMMARY

Highly motivated web developer with a passion for creating cutting-edge web applications and websites. Skilled in utilizing the latest technologies and frameworks to deliver functional and responsive digital solutions. Additionally, I leverage my expertise to produce engaging content on my YouTube channel dedicated to web development. Continuously expanding my knowledge and skills to remain at the forefront of the industry.

PROJECTS

🔗 Ecommerce Website

Designed and built a user-friendly front-end interface for an e-commerce store, ensuring seamless navigation and optimal user experience across devices.

🔗 AMG Business Services Website

Developed a bespoke website tailored for a law firm, focusing on providing an exceptional user experience and ease of navigation.

🔗 Awamer Company Website

Developed a captivating front-end interface for Awamer Company, specializing in VR eyewear, to showcase their innovative products and immersive experiences.

🔗 Restaurant Website

Crafted an engaging front-end interface for a restaurant website, emphasizing visual appeal and intuitive navigation to showcase menu items and services effectively.
